PERSONAL PROFILE

My name is Pablo, I am a Developer looking for my first IT work experience. I have knowledge on the backend and the frontend technologies such as:
-- Frontend: · HTML · CSS · Bootstrap · JavaScript · Angular · Angular Material · PrimeNg · React · MUI
-- Backend: · MySQL · SQL Server · JAVA · SpringBoot ·
-- GitHub: https://github.com/szarap
I was born in Argentina and it was during the pandemic that decided to push my career as a web developer furthermore. This path has taken me 2 years within different technologies of Frontend and Backend.
I have worked on projects on my own, and continue to doing it. However, I am looking forward to fully dedicate myself to work in this industry as part of a team and I'm excited to learn new skills and develop my professional career in a Full Stack profile.
